Response to Intervention  
Progress Monitoring Parent Notification

\_\_\_\_\_ Reading \_\_\_\_\_ Math

Student \_\_\_\_\_

Date \_\_\_\_\_

Dear Parent,

A letter previously notified you that your student is receiving additional, small group interventions in reading and/or math. During this intervention period, your child has been progress monitored at least every other week using assessments that are specific to the intervention being used. Attached you will find a copy of your child's progress monitoring. All progress monitoring is reported using a graph so that you can see the progress your child is making.

Based on our progress measurements, we believe your child is:

	Making <b>good progress</b> and we plan to discontinue the additional intervention.
	Making <b>good progress</b> and we plan to decrease the amount of additional intervention time being provided.
	Making <b>some progress</b> and we plan to continue the intervention at this time.
	Making <b>limited progress</b> and we plan to consider changes in the intervention that we are providing.
	Making <b>insufficient progress</b> and we plan to change the intervention plan at this time. Further assessment and/or a parent meeting may be necessary.

As the school staff, we are pleased to have this opportunity to provide your child with this needed assistance. If you have additional questions or concerns, please contact your child's teacher.

Respectfully,
