Progress Monitoring Parent Notification

Skill area being monitored: _____

Student _____

Date _____

Dear Parent,

Your child has been receiving special education services based on their Individual Education Plan. During this intervention period, your child has been progress monitored at least every two weeks in the area of their skill deficits.

Based on our progress measurements, we believe your child is:

	Making good progress and we plan to continue the intervention that we are providing.
	Making some progress and we plan to continue the intervention that we are providing.
	Making limited progress and we plan to consider changes in the intervention that we are providing.
