

WANTED: TALENTED MENTOR TEACHERS

Make a difference in a high-need school that needs you.

GAIN THE SUPPORT AND PROFESSIONAL DEVELOPMENT TO REACH YOUR POTENTIAL THROUGH TAP: THE SYSTEM FOR TEACHER & STUDENT ADVANCEMENT

Mentor Teachers

Be a part of a team at your school driving student **ACHIEVEMENT**. As a mentor teacher and a part of TAP, you will be challenged to work with classroom teachers to improve while continuing to have a role in the classroom. Your passion for teaching and deep understanding of students are essential to improving the quality of our student education. That's vital because research reveals that the quality of a teacher ranks as the most important school-related factor for helping a student succeed in school.

Mentor Teacher

As a Mentor teacher, You will handle TAP responsibilities as a member of the school leadership team. These responsibilities include working with master teachers and leadership while coaching classroom teachers. As a mentor teacher you will monitor goal setting, conduct objective evaluations and support teachers' individual growth plans. While taking on new responsibility and being rewarded for this effort; mentor teachers will also still work closely with students in the classroom.

Please apply to a TAP school if you:

- Possess a bachelor's degree and full credentials or alternative certification, and a minimum of two years of teaching experience.
- Exhibit classroom demonstration showing instructional excellence.
- Show data that demonstrates improvement in student achievement using specific instructional strategies.
- Demonstrate excellence as an instructor and communicator with an understanding of how to help adults grow.
