

WANTED: TALENTED MASTER TEACHERS

Make a difference in a high-need school that needs you.

GAIN THE SUPPORT AND PROFESSIONAL DEVELOPMENT TO REACH YOUR POTENTIAL THROUGH TAP: THE SYSTEM FOR TEACHER & STUDENT ADVANCEMENT

Master Teachers

Be part of the leadership at your school driving significant student achievement. As a master teacher and a part of TAP, you will be critical to our student-centered environment. Your passion for teaching and deep understanding of students are essential. You will have the opportunity to work with teachers and impact the classroom education of students in the school. That's vital because research reveals that the quality of a teacher ranks as the most important school-related factor for helping a student succeed in school.

Master Teacher

As a Master teacher, you will handle critical TAP responsibilities including working closely with mentor and classroom teachers and leading weekly learning experiences called cluster. Additionally, you will have the opportunity to develop a school academic achievement plan. You will work with mentor teachers and your principal for effective teacher evaluations that will help improve teachers and positively benefit the students.

Please apply to a TAP school if you:

- Possess Significant Experience In Curriculum, Professional Development And Mentoring Teachers.
- Represent The “Gold Standard” In Teaching And Serve As A Role Model For All Instructional Staff.
- Have At Least Five Years Of Teaching Experience And A Proven Track Record In Increasing Student Achievement.
- Communicate Well With Students And Adults.
- Possess A Master’s Degree In Relevant Academic Discipline.
